Head Start is a *comprehensive*

**pre-school  
program.**

**Children in Head Start:**

- participate in a variety of educational activities that develop the whole child;
- learn and play in safe, stimulating environments both indoors and outdoors;
- interact continually with loving, well-trained teachers;
- eat healthy meals/snacks and develop good health habits;
- receive free medical/dental screenings *and* follow-up care;
- receive disability services.

All Head Start families are offered  
extensive family services,  
including our unique Family Goal Planning.

For children who are eligible, Head Start is a free educational program. At some locations, additional child care is available based on a sliding fee scale. We accept state child care certificates.
